IT XPO SPECIAL EVENT
BACK TO THE

80'S

Jump in your time machine to a decade defined by big hair, power suits, walkmans and Jane Fonda workouts; all while wondering who you gonna call!

We're breaking out the seven-layer dip, prawn cocktail, the all too popular vol-au-vents and what's a mixer without a wine cooler.

We will dust off our boom box and mixtapes so you can celebrate, network and see who can conquer Donkey Kong or be champion of the cubers.

Let's party-on in IT Xpo because *"life moves pretty fast. If you don't stop and look around once in a while, you could miss it..."**
